Scott,

Attached is a summary of the inspections reports you sent me. I have not had a chance to look at Morning Star and Onamia Bus Garage. I wanted to get this to you before I left on vacation. I will get you my findings for the other two sites as soon as I get back.

Depending how busy I am I would like to try and meet the week of February 10th to discuss these inspections. If it does not work out let me know. I would like to finish these soon, but we have waited this long so any longer will not be an issue.
